

Announcement: Bangna District Office

Subject: Intention to fight against corruption

According to the constitution of the Kingdom of Thailand B.E. 2560, the Official Information Act. B.E.2540, the Decree on Criteria and Procedures for Good Governance, B.E. 2546, the National Anti-Corruption Strategy Phase 3 B.E. 2560 -2564 and the Government policy no. 10 regarding the promotion of the good governance as well as the protection and the elimination of corruption and misconduct, they are all addressed about morality and ethic of official to be well behave (honest and well management).

In October 11th, B.E. 2559, the cabinet resolved the National Anti-Corruption Strategy Phase 3 and assigned governmental organization to set their 4 years anti-corruption action plan and civil servant annual action plan.

In order to put this national strategy into action, Bangna District office has announced Intention to fight against corruption to by creating the values of morality and transparency standard for public officials of Bangna District office to follow with other rules. The strategy is implemented as follows:

1. Good governance administration
 - Follow laws and regulations strictly.
 - Encourage public officials to have a values of well behave such as honest, scarification, patience, diligence and self-discipline.
 - To disclose useful information and follow the Official Information Act. B.E.2540 and develop system for citizens to access the information conveniently.
 - Allow public officials, government officers and citizens to acknowledge and comment in any issue
 - To encourage public officials and government officers to perform their duties enthusiastically and to take responsibility for their own performances. Collaboration is needed to solve any problem.
 - To cultivate good conscience to public officials and government officers to make the most use of resources.

2. Cultivating value and attitude to public officials and government officers to be aware of morality and ethic and lead their works and their lives by the philosophy of self-sufficiency economy.

3. The public officials or the government officers, especially in the procurement process , shall straightforwardly conduct the disclosure of information without obscuring or perverting any information and allow allowing private sector to participate in inspection of the procurement process.

4. To publicize to citizens about the channels to inform or complain about corruption and assign the officials or officers to handle any corruption issues raised by citizens.

5. In case of any complain about corruption, the investigation is strongly needed and the penalty for those who conduct corruption is a must.

Please kindly be informed accordingly.

Declared on November 15, 2019

(Mr. Natsun Chandatemiya)
Director of Bangna District Office
